

## Curriculum Vitae

**NAME:** Merry Angela Noel Miller, M.D.

**ADDRESS:** Box 70567  
Building 52, Ned McWherter Hall  
Department of Psychiatry  
East Tennessee State University  
Quillen College of Medicine  
Johnson City, TN 37614  
Phone: 423-439-8010  
Fax: 423-439-2210  
E-mail: millerm@etsu.edu

### EDUCATION

- 1975 B.S. (Biology), Southwestern at Memphis (now Rhodes College), Memphis, TN
- 1983 M.D., University of Tennessee Center for Health Sciences School of Medicine, Memphis, TN
- 1983 M.S. (Biochemistry), University of Tennessee Center for Health Sciences Graduate School in Biochemistry, Memphis, TN
- 1987 Psychiatry Residency, Duke University Medical Center, Durham, NC

### HONORS

Phi Beta Kappa, 1975

Fellow, American Psychiatric Association, inducted 1999

Distinguished Fellow, American Psychiatric Association, effective January 2003

1999 Humanism in Medicine Award for James H. Quillen College of Medicine Faculty from The Healthcare Foundation of New Jersey

2000 Recipient for James H. Quillen College of Medicine Faculty for Tenth Annual Nancy C. A. Roeske, M.D. Certificate of Recognition for Excellence in Medical

Student Education, given by American Psychiatric Association and its Committee on Medical Student Education

Inducted into Gold Humanism Honor Society, Quillen College of Medicine Chapter, September 2005

Roy-Miller Award created to honor Dr. Thomas Roy and Dr. Merry Miller as the original supporters of the combined Medicine-Psychiatry residency program at Quillen College of Medicine (to be given each year to the faculty member who has most contributed to this combined program), June 2007

Recipient of Roy-Miller Award, June 2011

Best Doctors in America 2009-2010; 2011-12; 2013-14

## **BOARD CERTIFICATIONS**

American Board of Psychiatry and Neurology, October 1988

American Board of Adolescent Psychiatry, May 1993-2003

## **PROFESSIONAL EXPERIENCE**

- |               |  |
|---------------|--|
| 1983 - 1987   | Resident, Department of Psychiatry<br>Duke University Medical Center, Durham, NC   |
| 09/87 - 12/87 | Clinical Associate, Affective Disorders Program, Duke<br>University Medical Center, Durham, NC   |
| 01/88 - 02/95 | Private practice psychiatry as partner with Neuropsych group,<br>including inpatient and outpatient work with both adolescents<br>and adults. Medical staff member at St. Therese Medical Center,<br>Waukegan,IL and at Condell Medical Center, Libertyville, IL |
| 06/91 - 02/95 | Medical Co-Director, Adolescent Unit<br>St. Therese Medical Center, Waukegan, IL   |
| 1993 - 1994   | Chairperson, Psychiatry Committee<br>St. Therese Medical Center, Waukegan, IL  |

- 1994 - 02/95      Medical Director, The Women's Circle of Health Outpatient Psychiatry Clinic, Libertyville, IL
- 03/95 - 6/04      Clinic Director, University Physicians Psychiatry Clinic
- 3/95-6/00      Associate Professor, Department of Psychiatry & Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, Johnson City, TN
- 1998-2013      Appointed to Associate Faculty in Graduate School, East Tennessee State University, Johnson City, TN
- 7/00-present      Professor (with tenure), Department of Psychiatry & Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, Johnson City, TN
- 1/01-5/02      Interim Chair, Department of Psychiatry & Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, Johnson City, TN
- 5/02-1/12      Chair, Department of Psychiatry & Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, Johnson City, TN
- 1/14-present      Appointed as Senior Member of Graduate Faculty, East Tennessee State University, Johnson City, TN

## **PROFESSIONAL ORGANIZATIONS**

American Psychiatric Association  
 Tennessee Psychiatric Association  
 Southern Psychiatric Association  
 American College of Psychiatrists  
 American Association of Chairs of Departments of Psychiatry 2001-2012  
 The Authors Guild

## **GRANTS**

Northeast Tennessee Area Health Education Consortium, Coinvestigator for granted proposal entitled "Assessment of incidence of Eating Disorders Among Adolescents

in Rural Areas of East Tennessee", Principal Investigator Ruth Verhegge, R.D., 1996-97 (\$5,000)

Bristol-Myers Squibb, Principal Investigator for grant entitled "Effect of Dosing Schedule of Nefazodone in Women with Premenstrual Magnification of Depression", 1997-98 (\$5,000)

National Institutes of Mental Health, Coinvestigator for grant entitled "Search for A7 Antibodies in Serum of Schizophrenics", Principal Investigator Dr. Barney Miller, 1999-2001 (\$69,500)

ETSU Research Development Grant, Principal Investigator for grant entitled "Role of ovarian hormones and serotonin in postpartum depression", 2000-2001 (\$6,000)

Pfizer Pharmaceuticals, Miller MN (Principal Investigator), Co-investigators Miller BE, Coyle BR, Clark T, Frizzell P, Kayser A, Newell C, grant proposal entitled "Variable dosing of sertraline for premenstrual magnification of depression", 2002-2008 (\$103,080)

**Miller MN** (in press). Finding Your Emotional Balance: A Guide for Women. Baltimore MD: Johns Hopkins University Press.

## PRESENTATIONS AT NATIONAL & INTERNATIONAL MEETINGS

1. **Noel, MA** (June 1979). Oral tryptophan as potential adjunctive therapy in chronic pain patients. Abstract, oral presentation, Proceedings of the International Narcotics Research Conference, North Falmouth, MA.
2. Miller BE, Byrne WL, **Noel MA**, Ungar A, Mays K, North WE, Lipman J, Karkera S (October 1980). "Levels of a cerebrospinal fluid endorphin are elevated in placebo-responding chronic pain patients." Abstract, Proceedings of the Society for Neuroscience.
3. **Noel, MA** (July 1984). The effect of morphine upon CSF opioids in dogs. Abstract, poster presentation, Proceedings of the International Narcotics Research Conference, Cambridge, England.
4. **Miller MN**, Verhegge R, Miller B ( May 1997). "Assessment of prevalence of eating disorders among adolescents in rural East Tennessee". Abstract, Proceedings of the American Psychiatric Association, San Diego, California.
5. Johnson T, **Miller MN**, Verhegge R, Miller B, and Pumariega AJ (October 1997). "Dieting, oral control, and bulimic behaviors in Appalachian adolescents". Abstract, Proceedings of the American Academy of Child & Adolescent Psychiatry.
6. Coyle BR and **Miller MN** (January 1998). Psychotherapy: real training with imitation patients. Abstract, workshop presentation at American Association of Directors of Psychiatric Residency Training Conference, Orlando, Florida.
7. Miller BE, **Miller MN**, Hosler S, Verhegge R, Kauffmann C, Vance H, and Pumariega A (May 1999). Cultural factors associated with the mental health of college athletes. Abstract, Proceedings of the American Psychiatric Association, Washington, D.C.
8. Pumariega AJ, **Miller MN**, Miller BE, Verhegge R, Vance HB, Hosler S and Kauffmann C (May 1999). Risk for eating disorders in an athletic program. Abstract, Proceedings of the American Psychiatric Association annual meeting, Washington, D.C.
9. Coyle BR, Graham J, **Miller MN**, Brahmabhatt H, Sabri S, and Garatli A (September 1999). Depression, suicidality, stigma and support systems among psychiatrists and clergy. Abstract, poster presentation, 1999 Spirituality, Culture, & End of Life Conference, jointly sponsored by National Institute on Healthcare Research and Association of American Medical Colleges, Denver, Colorado.

10. Miller BE, **Miller MN**, Schacht T, Kauffmann C, and Lipman JJ (October 1999). Depressed patients report more subjective pain and have a higher objective pain tolerance than normal controls. Abstract, poster presentation delivered at Society for Neuroscience annual meeting, Miami, Fla.
11. **Miller MN**, Miller BE, Chinouth R, Coyle BR, and Brown GR (October 1999). Increased premenstrual dosing of nefazodone relieves premenstrual magnification of depression: a double-blind, crossover study. Abstract, poster presentation delivered at Society for Neuroscience annual meeting, Miami, Fla.
12. Woodside J, **Miller MN**, and Floyd M (April 2000) Assessment of resident wellness and perceived threats to wellness. Abstract, poster presentation presented at 2000 International Conference on Physician Health, cosponsored by the American Medical Association (AMA) and Canadian Medical Association (CMA), Charleston, S.C.
13. **Miller MN**, Miller BE, Verhegge R, Linville H, Pumariega AJ, and Vance HB, (May 2000). Sociocultural factors associated with binge drinking among college athletes. Abstract, poster presentation presented at American Psychiatric Association annual meeting, Chicago, IL.
14. Miller BE, **Miller MN**, and Kauffmann C (April 2001). Search for Nicotinic Receptor A7 Autoantibodies in the Serum of Schizophrenics. Abstract, poster presentation accepted for the International Congress on Schizophrenia Research, Whistler, British Columbia, Canada.
15. Pumariega AJ, Miller BE, **Miller MN**, Verhegge R, Linville HH (May 2001) Alcohol misuse in college athletes: self-medication for psychiatric symptoms? Abstract, poster presentation submitted to the APA for annual meeting, New Orleans, La.
16. Woodside, J., Floyd, M., Peeples, K., McGowen, K., & **Miller, M** (October 2002) A Program to Enhance Resident Wellness. Abstract, presentation to International Conference on Physician Health, cosponsored by the American Medical Association (AMA) and Canadian Medical Association (CMA), Vancouver, British Columbia.
17. Woodside J, **Miller M**, Floyd M (October 2004). Assessment of resident wellness and perceived threats to wellness. Abstract, presentation to 2004 International Conference on Physician Health, cosponsored by the American Medical Association (AMA) and Canadian Medical Association (CMA), Oak Brook, IL.

18. Airhart M.J., Miller B., Lee D., Conner T., **Miller M.**, and Skalko R.G. (June 2005) Movement disorders and neurochemical changes in zebrafish larvae after bath exposure to fluoxetine (Prozac). *Birth Defects Research, Part A: Clinical and Molecular Teratology*, Volume 73, Number 5, page 371, May 2005. Poster presentation to Teratology Society 45<sup>th</sup> Annual Meeting, St. Petersburg, Florida.
19. Woodside J, **Miller M**, Floyd M, McGowen KM (November 2005) Assessment of resident wellness and perceived threats to wellness. Abstract, poster presentation to 4<sup>th</sup> National Doctors' Health Conference sponsored by Australian Medical Association, Melbourne, Australia.
20. Miller BE, Airhart MJ, **Miller MN**, Lee DH, Conner TD, Skalko RG (November 2005) Developmental effects of the antidepressant drug Prozac on zebrafish. Abstract, poster presentation to Neuroscience Conference, Washington D.C.
21. Turner BB. Miller BE, **Miller MN**, Kayser A, Newell C (November 2005). Patient response to antidepressant therapy is predicted by polymorphisms in the serotonin 1A receptor promoter and serotonin 2A receptor. Abstract, poster presentation to Society for Neuroscience Conference, Washington, D.C.
22. Airhart MJ, Miller B, Lee D, Wilson T, **Miller M**, and Skalko RG (June 2006). The effects of serotonin depletion on locomotor development in zebrafish. Abstract, *Birth Defects Research, Part A: Clinical and Molecular Teratology*, May 2006. Poster presentation to Teratology Society 46<sup>th</sup> annual meeting, Tucson Arizona.
23. Miller B, **Miller M**, Turner B, Newell C. (July 2006). Patient response to antidepressant is predicted by a single nucleotide polymorphism in the serotonin 1A receptor. Collegium Internationale Neuro-Psychopharmacogium biannual meeting, Chicago Illinois.
24. **Miller M**, Newell C, Miller B (July 2006). Variable dosing of sertraline (Zoloft) for premenstrual exacerbation of depression. Collegium Internationale Neuro-Psychopharmacogium biannual meeting, Chicago Illinois.
25. Prabhakar A., **Miller M.**, Prabhakar D. (August 2007). Prevalence of premenstrual dysphoric disorder (PMDD): United States National Comorbidity Survey Replication (NCS-R), Southern Psychiatric Association, Memphis, Tennessee.
26. Gregory C, Derrick M, Rainey L, Holt J, Wallace S, Wilson T, Miller B, **Miller M**, and Moore N (September 2008). Visual and auditory EEG biofeedback in anxious patients compared with healthy controls. Fifth Joint Meeting of the EEG and

Clinical Neuroscience Society and the International Society for NeuroImaging in Psychiatry, Frankfurt, Germany.

## **INVITED PROFESSIONAL PRESENTATIONS**

1. "Women and Depression." Presentation for Innovative Treatment Approaches for the Comprehensive Care of Women, a symposium sponsored by Condell Medical Center, October 1993.
2. "Special Strategies for Treatment of Mood Disorders in Women." Presentation for Women's Lifestages, a regional symposium sponsored by Condell Medical Center, St. Therese Medical Center, Highland Park Hospital, Eli Lilly Pharmaceuticals, and Neuropsych, November 1994.
3. "Adolescent Suicide." Grand Rounds for Department of Pediatrics, James H. Quillen College of Medicine, East Tennessee State University, November 1995.
4. "Adolescent Suicide." Departmental seminar for Department of Family Medicine, James H. Quillen College of Medicine, East Tennessee State University, January 1996.
5. "The Spectrum of Premenstrual Disorders", Grand Rounds for Department of Psychiatry, James H. Quillen College of Medicine, East Tennessee State University, September 1996.
6. "Premenstrual Syndrome", Workshop for Women's Health: A Comprehensive Approach, James H. Quillen College of Medicine, East Tennessee State University, November 1996.
7. "The Spectrum of Premenstrual Disorders", Grand Rounds for Department of Obstetrics-Gynecology, James H. Quillen College of Medicine, East Tennessee State University, December 1996.
8. "Eating Disorders", Workshop for Women's Health: A Comprehensive Approach II, James H. Quillen College of Medicine, East Tennessee State University, October 1997.
9. "Eating Disorders in Adolescent Athletes", Presentation for Pumpkin Patch III Pediatric Conference, sponsored by Dept. of Pediatrics, James H. Quillen College of Medicine, East Tennessee State University, October 1997.

10. "Eating Disorders", Presentation for Psychology and Health Care Forum: Advances in Integrative Care, sponsored by Wellmont Health System, September 1998.
11. "Eating Disorders", Grand Rounds for Department of Obstetrics-Gynecology, James H. Quillen College of Medicine, East Tennessee State University, November 1998.
12. "Physician, Heal Thyself: The Importance of Physician Self-Care", Grand Rounds for Department of Psychiatry, James H. Quillen College of Medicine, East Tennessee State University, January 1999.
13. "Eating Disorders: A Physiological and Clinical Update", Seminar for Department of Physiology, James H. Quillen College of Medicine, East Tennessee State University, March 1999.
14. "Overview of Eating Disorders", Seminar for Spring Workshop, Watauga Counseling Association, May 1999.
15. "Postpartum Depression", Grand Rounds for Department of Obstetrics & Gynecology, James H. Quillen College of Medicine, East Tennessee State University, September 1999.
16. "Psychiatric aspects of reproduction", Seminar for Family Medicine Department, James H. Quillen College of Medicine, East Tennessee State University, September 1999.
17. "Physicians Heal Themselves: Physician Behavioral Wellness in the Age of Managed Care", Panel Discussion for "Behavioral Health in Primary Care: From the Cradle to the Grave", Conference sponsored by Department of Psychiatry and Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, October 1999.
18. "Women and Depression: Novel Strategies for Treatment", Grand Rounds for Department of Psychiatry, James H. Quillen College of Medicine, East Tennessee State University, February 2000.
19. "Does the Immune System Cause Psychiatric CNS Malfunctions?", Internal Medicine Research Seminar done jointly with Dr. Barney Miller, James H. Quillen College of Medicine, East Tennessee State University, August 2000.

20. "Professional Self-Care", Panel Discussion for Women's Health Across the Life Cycle, James H. Quillen College of Medicine, East Tennessee State University, April 2001.
21. "Diagnosis and Treatment of Eating Disorders", Grand Rounds for Carilion Roanoke Memorial Hospital, Roanoke, Virginia, November 2001.
22. "Autoimmunity in Psychiatry", Grand Rounds done jointly with Dr. Barney Miller for Department of Psychiatry, James H. Quillen College of Medicine, East Tennessee State University, December 2001.
23. "Eating Disorders", Seminar for Women's Health Student Interest Group, James H. Quillen College of Medicine, East Tennessee State University, February 2002
24. "Eating Disorders", Presentation for Watauga Counseling Association, conducted at East Tennessee State University, May 2002.
25. "Women and Depression: The Role of the Menstrual Cycle", Grand Rounds for Department of Obstetrics and Gynecology, James H. Quillen College of Medicine, East Tennessee State University, February 2003.
26. "Clinical Research at Quillen College of Medicine", Faculty Development Workshop, James H. Quillen College of Medicine, East Tennessee State University, March 2003.
27. "Women and Depression: The Role of the Menstrual Cycle", Grand Rounds for Department of Psychiatry and Behavioral Science, James H. Quillen College of Medicine, East Tennessee State University, July 2003.
28. "Women and Depression: The Role of the Menstrual Cycle", Grand Rounds for Department of Psychiatry and Behavioral Science, Wake Forest University, October 2003.
29. "Postpartum depression and Premenstrual Disorders", Seminar for Women's Health Student Interest Group, James H. Quillen College of Medicine, East Tennessee State University, November 2003.
30. "Women and Depression: The Role of the Menstrual Cycle", Grand Rounds for Department of Psychiatry and Behavioral Science, University of Tennessee, May 2004

31. "Issues in Women's Health", Presentation to joint Tennessee Psychiatric Association and Kentucky Psychiatric Association Conference, Louisville, Kentucky, March 2005
32. "Women's Moods Through the Life Cycle", Grand Rounds for Department of Psychiatry and Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, April 2005
33. "Women's Moods Through the Life Cycle", Grand Rounds for Department of Obstetrics and Gynecology, James H. Quillen College of Medicine, East Tennessee State University, August 2005
34. "From Puberty to Menopause: Women's Changing Moods Through the Lifecycle", Grand Rounds for Department of Psychiatry, Loyola University Stritch College of Medicine, Chicago IL, March 2006
35. "The Challenges of Treating Anorexia Nervosa", Presentation to 10<sup>th</sup> Annual Primary Care Conference for Nurse Practitioners and Physician Assistants, James H. Quillen College of Medicine, East Tennessee State University, April 2006
36. "Women's Moods Through the Reproductive Life Cycle", Presentation for 11<sup>th</sup> annual Women's Health Across the Life Cycle: A Comprehensive Approach Conference, East Tennessee State University, February 2007
37. "The Before and After of Residential", Panel Discussion for Eating Disorders Coalition of Tennessee 4<sup>th</sup> Annual Forum, Nashville TN, April 2007
38. "Eating Disorders", Presentation to Pediatric-Psychiatry Conference sponsored by Center of Excellence, East Tennessee State University, May 2008
39. "Eating Disorders: Advances in Management of Anorexia Nervosa", Presentation for 1<sup>st</sup> Annual Chairs in Psychiatry Summit, Hilton Head, S.C., June 2008.
40. "The Ins and Outs of Eating Disorders", Presentation for Sewanee-The University of the South, Women's Center Pinnacle Series, October 2008.
41. "Overview of Current Treatment for Eating Disorders", Presentation for Eating Disorder Coalition of Tennessee-Northeast, Advanced Clinical Training for Treatment of Eating Disorders, Johnson City TN, November 2008.

42. "Eating Disorders: Treatment Update", Grand Rounds for Department of Psychiatry and Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, December 2008.
43. "Eating Disorders", Presentation for 13<sup>th</sup> Annual Primary Care Conference for Nurse Practitioners and Physician Assistants, James H. Quillen College of Medicine, East Tennessee State University, April 2009.
44. "Eating Disorders", Presentation for 2<sup>nd</sup> Annual Chairs in Psychiatry Summit, Charleston, S.C., July 2009.
45. "Current Concepts on Treatment of Eating Disorders", Grand Rounds for Department of Psychiatry, Vanderbilt University, September 2009.
46. "Depression and Pregnancy", Seminar and Panel Discussion for College of Public Health, East Tennessee State University, November 2009
47. "Eating Disorders: Current Concepts and Controversies", Presentation for Southern Psychiatric Association/Tennessee Psychiatric Association conference, Asheville NC, October 2010
48. "Overview of Eating Disorders", Presentation for University of Tennessee Combined Family Medicine and Psychiatry Conference, Memphis TN, March 2011
49. "Eating Disorders: An Update from the Trenches", Presentation for 4th Annual Chair Summit, Annapolis, Maryland, June 2011.
50. "Women's Moods Across the Life Cycle", Grand Rounds for Department of Psychiatry, University of Florida, Gainesville, Florida, September 2011
51. "Women's Moods Across the Life Cycle", Grand Rounds for Department of Psychiatry and Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, September 2011
52. "Women's Health", Discussant for Women's Health Across the Life Span Conference, James H. Quillen College of Medicine, East Tennessee State University, October 2011
53. "Current Concepts on Grief", Grand Rounds for Department of Psychiatry and Behavioral Sciences, James H. Quillen College of Medicine, East Tennessee State University, November 2014

54. "Current Concepts on Grief", Presentation for Southern Psychiatric Association/Tennessee Psychiatric Association conference, Chattanooga TN, October 2015

## PROFESSIONAL SERVICE

Site Coordinator for East Tennessee State University DSM-IV National Field Trial, 1996

Co-creator and Activity Codirector, "Women's Health: A Comprehensive Approach", jointly sponsored by Departments of Family Medicine, Psychiatry, & Office of Women in Medicine, ETSU, November 1996

Activity Codirector, "Women's Health: A Comprehensive Approach II", jointly sponsored by Departments of Family Medicine, Psychiatry, & Office of Women in Medicine, ETSU, October 1997

Examiner for American Board of Psychiatry and Neurology, Part II Exam, Indianapolis, IN, 1998; San Francisco, CA 2006

Activity Director, "Women's Health Across the Life Cycle", jointly sponsored by Departments of Family Medicine, Obstetrics & Gynecology, Psychiatry & Office of Women in Medicine, ETSU, April 1999, April 2000, April 2001

Neuroscience Advisory Board on Women and Depression for Bristol-Myers Squibb, 2000

Planning Committee for Women's Health Conference, East Tennessee State University, Quillen College of Medicine, March 2002.

Reviewer, CNS Spectrums, October 2001-present

Reviewer, American Family Physician, January 2002-present

Reviewer, Preventive Medicine, October 2002-present
